Instructions:

This is a crossword puzzle game, where you listen to a song, hear a question and fill in the answer on a crossword sheet. One person acts as the Game Master. First you need to print out the fifth page of this document and provide one copy of the page, which contains the crossword puzzle, to each participating person or team. You will also need pencils and a source to play music from Spotify, like speakers with Bluetooth.

After that, you, the Game Master will read out the questions below out loud. You will then play the corresponding song to the question that you find in the provided playlist, which you find below in this document or on the website. The participants of the game will fill in the answer to that question on their crossword sheet. You will also see if they have to fill in the answer horizontally or vertically on the crossword sheet. Most of the questions involve finding the correct artist or band, but at times, the question is about other things, like fun facts and trivia.

Example how to play: You read Question 1: "What's the name of the singer in this band? Fill in his last name at spot 1, vertically in the crossword puzzle!". You then play the song related to the question, let's say "Song 1: Queen - Bohemian Rhapsody". Then the participants locate number 1 vertically in the sheet and fill in the answer, which in this example is MERCURY.

Rinse and repeat the process for all 15 questions. If you, as the Game Master, are very careful not to spoil the answers or the songs in the Spotify list (and start it without looking), you can possibly participate in the crossword puzzle as well!

After all 15 questions are done, the participants hand in their sheet and you compare it to the correct answers, whoever has the most correct answers is obviously the winner. At a tie, it's up to you to decide what to do as a tie breaker!

Should you have any questions or if you find anything incorrect in this crossword puzzle, you can always contact me at the website. I hope you enjoy this crossword puzzle game!
